Introduction

Dartmoor Multi Academy Trust believes that all Children in Care, and those previously in Care, should have equitable access to excellent educational provision and achieve at a similar level to all Devon children. As a community we aim to be champions for Children in Care and those previously in Care and take a proactive approach to support their success, recognising that we have a vital role to play in promoting their educational achievement and social and emotional development.

This policy is based on the Devon Virtual School Model Policy.

Definition: Who are our Children in Care?

Most Children in Care will be living in foster homes but a smaller number may be in a children's home, living with a relative or even be placed back at home with their parent(s) sharing parental responsibility with the Local Authority.

Under the Children Act 1989, a child is in the Care of the Local Authority if he or she is provided with accommodation for more than 24 hours by the Authority. This includes the following:

- a) Children who are accommodated by the Local Authority under a voluntary agreement with their parents;
- b) Children who are the subject of a Care Order or Interim Care Order;
- c) Children who are the subject of Emergency Orders for the protection of the child.

Definition: Who are our Children Previously in Care?

- A Previously Looked After Child is one who is no longer looked after in England and Wales because he/she is the subject of an Adoption, Special Guardianship Order or Child Arrangements Order which includes arrangements as to with whom the child is to live, or when the child is to live with any person, or has been Adopted from state care outside England or Wales and;
- A child is in 'state care' outside England and Wales if he/she is in the Care of, or accommodated by, a public authority, a religious organisation or any other organisation, the sole or main purpose of which, is to benefit society.

Legal Framework

- From 1 September 2009 all Governing Bodies were required under the Children and Young Persons Act of 2008, to appoint a Designated Teacher to promote the educational achievement of Children in Care;
- The Families Act of 2014 also required all Local Authorities to appoint a Virtual School Headteacher to ensure that the educational achievement of Children in Care was seen as a priority and to ensure arrangements were in place to improve their educational outcomes;
- Previous legislation and guidance from the Department for Children, Schools and Families (DCSF), Department for Education (DfE) and the Department of Health (DH) requires schools to have effective policies for supporting and promoting the education of Children in Care;
- The 2018 Statutory Guidance for Schools and Local Authorities which extended some responsibilities to Children Previously in Care. These responsibilities are not as extensive as those for Children in Care but the expectation is that there is a Designated Teacher and the likelihood is that it would be the same person as for Children in Care.

The role of all those involved in supporting Looked After Children with Special Educational Needs (see our SEN Policy for more information) is to:
