Purpose of this document

This Financial Scheme of Delegation has been developed to define and document the financial responsibilities and powers of those groups in the Trust as defined in the “Definitions” section.

This Financial Scheme of Delegation sits alongside the Trust’s Finance Policy which covers all financial delegations and the suite of policies through which the Trust operates that further define individual and collective roles and responsibilities.

The documented delegations within this document cannot be exercised other than by the designated group or individual unless otherwise directed or agreed by the Board of Trustees or Accounting Officer.

The Chairperson of the Board of Trustees, or in the absence of the Chair, Vice-Chair has the power to carry out functions of the Trust Board or Local Stakeholder Board in extreme circumstances where a delay in exercising a function is likely to be seriously detrimental to the interests of the Trust or at an individual Academy, a pupil at the Academy or their parents, or a person who works at the Academy.
